## CHEST GIVING AHEAD OF 1952; HAVE \$8,775

Contributions to the Gettysburg Community Chest now total \$8,775. Campaign Chairman Eugene R. Hartman announced today.

The drive, he added, is slightly more than \$3,000 ahead of the amount received up to the same date a year ago. At that time the Chest had \$5,453.77. The increased income to date is caused both by more rapid completion of their work by some solicitors and increases in the amounts given by individual donors.

The next "Report Date" will be Saturday night at 7 o'clock at the office of the Community Chest in the Philip R. Biele office, Baltimore St.

Solicitors were asked to report during the day Saturday to their team captains to permit the captains to have completed reports for Saturday evening.

Up To The People

Attorney Hartman again expressed his appreciation to both solicitors and donors, saying, "From the results so far, it would appear that there is more interest in Community Chest this year than ever before."

"This is the year when the people of the town by their response will show whether or not they want the Community Chest. In previous years one-third of the income for the Chest came from organizations which this year are unable to continue such large donations."

"That puts the question of support of Community Chest directly up to the people and the response so far indicates that the people of Gettysburg prefer one finance campaign per year for support of the Boy Scouts, Girl Scouts, Library, Civic Nurse, Recreation Association and YWCA rather than six individual drives during the year."

"Community Chest also makes it easier for an individual to contribute his share. We are stressing the use of pledge cards this year because through them a person can pay his donation at any time during the year."

## "Human Fly" To Climb For "Chest"

Johnnie Jay Wood, Hollywood, California, human fly, will make two ascents of the Odd Fellows' building, Chambersburg St., Saturday with 10 per cent of the amount realized from a silver collection going to the Gettysburg Community Chest.

The first climb of the Odd Fellows Hall, and the first time it has ever been scaled by a human fly, will take place at 4 o'clock Saturday afternoon. For his second attempt Wood will start from the sidewalk at 7 o'clock and try to climb the structure blindfolded.

His latest place of confinement in China was in a Roman Catholic monastery. He has stories to tell of the famous accusation meeting, his eviction from mission property by the Communists and how he was cut off from communication with the outside world.

## MASS SEARCH LAUNCHED FOR ELDERLY MAN

Gettysburg firemen and other volunteers this afternoon were combing the area south of Gettysburg to Rock Creek in search of 83-year-old Quinton H. Riddle, who disappeared from his home on E. Middle St. about 11 o'clock Wednesday night.

Called by Borough Police, the searching party was headed by Police, Fire Company President William G. Weaver, Fire Chiefs Donald Jacobs and Donald Staub; the fire company radio operator, Eugene Sickles, and George Hughes.

Thirty-five men left the engine house this afternoon using the Rescue truck and "Old Smokey" for transportation to the scenes of the search.

Shortly after one o'clock this afternoon a number of men and women were called into service to help search the entire town. They were working in pairs.

Murray Goldsborough, manager of WGET, made periodic appeals over the radio to all listeners to make an immediate search in their residential or farm areas.

Query Nearby Cities

The mass search of the area began 38 hours after the E. Middle St. man had left the Russell Numemaker home in E. Middle St., where he had resided for the last two years.

Borough and state police Thursday searched along highways out of the town, on the battlefield and elsewhere in a vain attempt to locate Mr. Riddle.

Queries were sent police in nearby cities to be on the lookout for the half-blind, elderly man, fairly easily identifiable by his white cane. Police had hoped that reports would reach here today from some nearby city stating he had been found, believing he may have hitchhiked south to be with two daughters in Virginia. He has not appeared at the homes of the daughters in Virginia.

NAIROBI, Kenya (AP)—Kenya security forces, including members of the Kikuyu home guard, killed 36 and captured 9 others of a 50-member Mau Mau gang in a battle today in the Ft. Hall district. The clash was the latest in a campaign to wipe out anti-white Mau Mau terrorism.

## Littlestown Man Serving In Korea

Pvt. Harold G. Cool, 20, son of Mr. and Mrs. George W. Cool, 743 W. King St., Littlestown, is now serving with the 24th Infantry Division in Korea.

In July, 1950, the 24th Infantry landed in Korea to become the first American combat division to fight under the U.N. flag. After 19 months of action, the 24th rotated to Japan as part of the security force in the islands, but returned to Korea when the Communists launched their pre-treacher offensive.

Private Cool entered the Army last February, completed basic training at Fort Campbell, Ky., and arrived overseas in August. In civilian life he was employed by the Windsor Shoe Co.

## Air Force Installations and Confer With Military Officials

The Korean truce signed last July 27 bans the movement of planes into Korea except as replacements. The armistice does not restrict the repair and construction of airfields.

The U. N. Command has complained to the Neutral Nations Supervisory Commission that the Reds have shipped warplanes into North Korea in violation of the truce.

An inspection team was instructed to investigate the complaint, but no final report has been filed.

# ALGER HISS IS ELIGIBLE FOR PENSION IN 1964

WASHINGTON (AP)—Sen. John J. Williams (R-De.) said today he will ask Congress in January to deny federal pension rights to any person convicted of enriching himself or being a traitor.

There are a number of former federal officials who have been convicted of various crimes but remain eligible for government pensions, Williams said in a statement, adding:

"This is wrong. No public official who has been convicted by the courts of having unlawfully used his position to enrich his own personal fortune who willfully betrays his country to a foreign power should be pensioned at the expense of the American taxpayers."

## Pension For Hiss

Williams named no names, but he cited "one former State Department employee who was convicted of perjury in denying that he had given highly classified government secrets to an agent of a foreign power, will, under the present laws, be eligible to receive regular retirement benefits upon reaching the age of 62."

A reporter told Williams that this description pinpointed Alger Hiss.

The senator said he preferred "not to name individuals."

Hiss, who will be 51 on Nov. 11, last May completed one-third of his 5-year prison term but was refused parole. He is eligible for good behavior release early next year. He is eligible for a pension at 62 because he served nearly 14 years in government agencies from 1933 to 1947.

# CHURCHMEN ADMIT THREAT OF COMMUNISM

CLEVELAND (AP)—After three days of discussion, prayer, sermons and debate, a national church conference today reached these tentative conclusions:

1. That American-Soviet differences are "so fundamental" and "lack of confidence on both sides so deep and stubborn" that any accord "appears impossible at present."

2. That "military strength is essential" to meet the threat of Soviet totalitarianism, but adding the spiritual and physical welfare of all men is "in the long run even more basic."

3. That "the free societies must make every effort to negotiate workable agreements without compromise of basic convictions" and seize every chance to "develop even a temporary easing of tensions."

"Instruments of Judgment"

4. That Americans as "brothers in Christ" with all peoples "must learn to accept other nations not only as partners but also as instruments of judgment on our national action."

5. That the nation must pursue programs of help to needy lands, recognizing that "plenty for the few and want for the many cannot be reconciled with the law of love."

These points were part of a 4,000-word proposed declaration, hammered out during deliberations of four separate sessions, and still subject to a final vote before the delegates end their conference today.

The main items, however, had been worked over and approved in representative group sessions, each including more than 100 members of the 450 delegates.

# HOPE FOR BREAK IN YOUNG GIRL'S DISAPPEARANCE

By CHRIS EDMONDS

LA CROSSE, Wis. (AP)—Only a lucky break, it was felt by authorities today, will turn up any concrete evidence in the disappearance of 15-year-old Evelyn Hartley six nights ago.

Police Chief George Long, who had admitted his department is "up against a stone wall," was joined by Dist. Atty. John Bosshard in the belief that it now is a matter of fortune whether searching parties which have been combing the rugged countryside will come up with anything tangible.

"If we get a good break we may develop something," said Bosshard. "So far we have had none, despite the fact our searchers have worked hard at their job."

## Confer With FBI

Bosshard conferred in his office yesterday with FBI agents, but declined to discuss the nature of the conference. Under the Lindbergh Law, the federal agents could come into the case tomorrow—one week from the girl's disappearance—if there was evidence of kidnapping.

"There's no such evidence," Bosshard said. "This is a sex crime rather than a kidnapping."

Bosshard disclosed that the state crime laboratory had determined that a pair of girl's panties found several days ago under a railroad underpass are stained with human blood. The underwear, the same type and size worn by Miss Hartley, has not been identified as hers.

Stains on a house near the Viggo Rasmussen home, from where Evelyn disappeared last Saturday night while tending the Rasmussen's baby daughter, also are of human blood, type A, Bosshard said. Miss Hartley's blood type has not been determined.

# Aly Khan Wants His Daughter In Europe

LAS VEGAS, Nev. (AP)—Aly Khan wants his and Rita Hayworth's daughter Yasmin, 3½, returned to Europe immediately because of threats against the child's life. But Rita says she'll resist all attempts to take the child from her.

The actress' attorney, Bartley Crum, said yesterday that her former husband, the Moslem prince, had called her he wants the child for safekeeping "because the FBI is not adequate to protect her."

Crum said Aly remarked that Rita has received letters threatening the youngster's life unless "she is reared in the Moslem faith."

Because of these threats and the problems resulting from Rita's marriage to crooner Dick Haymes, the lawyer quoted Aly, Yasmin's safety has been endangered.

Rita said she intends to rear her daughter in the Christian faith.

# Gambler Returns To Gotham Haunts

NEW YORK (AP)—Gambler Frank Costello returned to his old haunts today from Milan, Mich., federal prison. He avoided newsmen by leaving his train at a stop outside the city.

Train personnel said Costello and a party of nine left the train.

The gambler was released yesterday after serving about a year of his 18 months sentence for contempt of the U.S. Senate. Ahead of him, however, are legal hurdles.

He must stand trial on four charges of income tax evasion and denaturalization proceedings.

## FINAL WITNESS READY FOR JURY IN KIDNAP CASE

KANSAS CITY (AP)—The federal government today hoped to complete another legal step in its plans for speedy conviction of the kidnap-killers of 6-year-old Bobby Greenlease.

U. S. Dis. Atty. Edward L. Scheufler had his final witnesses ready for appearance before a federal grand jury which has been gathering evidence on the case since Tuesday.

The jury is expected to indict a 34-year-old Carl Austin Hall and his 41-year-old woman friend, Mrs. Bonnie Brown Heady. Both have admitted participating in the kidnap-slaying of Bobby, son of wealthy automobile dealer Robert C. Greenlease.

**Seek Ironclad Case**  
Federal kidnapping charges already have been filed against Hall and Mrs. Heady, a divorcee. They also face state murder and kidnapping charges.

Officials said the grand jury hearing was another step in developing an ironclad case against the pair.

Among yesterday's witnesses was Sandy O'Day, a blonde who spent a night with Hall in St. Louis during a wild spending spree. Hall went to St. Louis after obtaining \$600,000 ransom money from Greenlease.

**Quiz Hager, Shoulders**  
Miss O'Day told taxicab driver here as a material witness.

During Hall's St. Louis binge, Miss O'Day told taxicab driver John Hager about seeing a "million bucks" in his luggage.

Hager, who had picked up Hall as a fare, later gave the tip to the police that resulted in the kidnappers' arrests.

Hager also made a second appearance before the jury, along with Lt. Louis Shoulders, who made the arrests in St. Louis.

## JURY SUGGESTS DROPPING ACTION IN CHEF'S DEATH

DANVILLE, Pa. (AP)—A Montour County coroner's jury has recommended that no further action be taken in the death of a cook at the Danville State Hospital last week-end.

The jury ruled last night that James E. Long of Northumberland died of a fractured skull received when he fell to the kitchen floor as the result of a blow by a mental patient who was helping the cook.

Dist. Atty. F. Potter Wagner said he would study testimony taken at the inquest and the jury's recommendation before deciding whether to press charges against the patient, Melvin M. Grove, about 35, of Williamsport.

**Struck With Fist**  
The jury recommended that Wagner "take no further action in view of the circumstances of the case and that said Melvin Grove is an insane person."

Grove testified that he struck Long with his fist, knocking him to the floor, because the cook flung a metal pan on the floor "irritating" Grove. The cook died as the result of his head striking the tile floor.

Long died in the Bloomsburg Hospital Sunday, 36 hours after the incident.

Dr. O. W. Clinger, superintendent of the Danville State Hospital, described Grove as a mental patient who had been at the institution for about 10 years.

## CALL STRIKE AT SINGER PLANT

ELIZABETH, N. J. (AP)—A strike has been authorized by Singer Manufacturing Co. employees unless they get a new contract providing for a wage increase.

The 5,900 workers, who belong to local 461, International Union of Electrical Workers (CIO), voted last night to call the strike at any time after their present contract expires Sunday.

Singer officials declined comment. The firm makes sewing machines and needles.

Samuel Trueba, president of the local, said the company has offered a general wage boost of two cents an hour—an amount figured on the cost of living formula—plus an increase of one to three cents for certain skilled workers.

Without giving the union demand, Trueba said other workers in the area receive much more than the increase offered by the company.

## Aged Cripple Is Killed By Auto

SCRANTON (AP)—A 65-year-old physically handicapped Scranton resident was fatally injured by an automobile near his home last night.

The victim, John O'Rourke, was pronounced dead at Scranton State Hospital. Both of his legs had been amputated at the knees for many years and O'Rourke managed to travel about without assistance on a set of leather pads.

Police Capt. John Conaboy identified the driver of the automobile as Benjamin Papa, 25, also of Scranton. Conaboy said the fatal accident occurred at an intersection in the Minooka section of the city during last night's heavy rain storm. No charges have been placed against Papa, Conaboy said.

From 1927 to 1934 Dr. Rudisill was pastor of St. Luke's Church, York, and from 1934 to 1940 he was president of Thiel College, Greenville, Pa. He has been secretary of adult education for the Board of Parish Education of the United Lutheran Church since 1940.

I am on the shore of romance ... and I long to sail its sea ... to invade the secret channels ... and find what becomes of me ... from my stand the sea looks tranquil ... waves of tenderness roll in ... yes, I long to sail these waters ... and someday I shall begin ... how inviting are the smooth crests ... they seem warm and gentle too ... little wonder thousands travel ... on a sea so grand to view ... happy currents move the vessels ... and the breeze blows not a gale ... but I've heard the sea of romance ... is a stormy one to sail ... so I ponder before sailing ... for I must prepare by deck ... just in case the sea of romance ... must return by ship a wreck.

## Babe Arrives At Home And Uncle Lands In Hospital

PHILADELPHIA (AP)—Mother and baby are doing nicely—but the rest of the family ... Oh!

Mrs. Stanley Smith, 21, started it all off by telling her husband she was going to have her baby in a little while. Smith took it from there.

He and friend Anthony Luce took off in Luce's convertible to get a doctor.

**Hit Train, Then Truck**  
Too late, the baby arrived—so Smith's brother Charles took off in his car to get Smith. He found him at the doctor's office, delivered the message and started back home. Halfway there he collided with a Reading Railroad freight train.

Along came Stanley and Luce in the other car and brother Charles hopped in and away they went—for two blocks, where Luce's machine collided with an oil truck, then with a tractor trailer, then caught fire.

Police and firemen arrived, extinguished the blaze, and saw brother Charles off to Northeast Hospital, where he was treated for minor injuries.

P. S. It was a girl.

In 1950 the United States used almost twice as much oil as the rest of the non-Communist world combined.

## TOBACCO MEN BLOCK FEDERAL MARKET QUOTAS

HARRISBURG (AP)—Federal marketing quotas for a type of tobacco grown only in Pennsylvania have been rejected by Keystone State farmers for the fourth straight year.

C. E. Cassell, chairman of the Pennsylvania Production and Marketing Committee, U. S. Agriculture Department, said unofficial returns in yesterday's balloting showed 352 votes for the quotas and an overwhelming 966 against.

In order to inaugurate the quota system in Pennsylvania a two-thirds majority was needed. The tobacco is cigar filler known as Type 41. The vote here was decisive since the type is not grown in other states.

At the same time, farmers growing Types 44 and 53, cigar filler and binder tobacco, balloted along with growers of five other states on whether to restrict their crops to federal quotas to become eligible

for price supports.

The Pennsylvanians voted 24 to 17 in favor of the quotas—which also was short of the two-thirds majority. However, the six voting states are considered in conjunction and the vote throughout the six will determine the course of all.

Production quotas, set up by the Production and Marketing Administration, now are in effect in all six states for tobacco Types 44 and 53. Other states in the group are Connecticut, Massachusetts, New York, Ohio and Wisconsin.

Of the 5,000 farmers in 14 Pennsylvania counties who were eligible to vote only 1,359 cast ballots. The returns were complete except for one Lancaster County district.

Lancaster County was by far the biggest ballot-caster, with more than 1,100 tobacco growers voting for their choice of action.

The vote by counties on Types 44 and 53:

Clinton, 2 for and 1 against; Lycoming 14-0; Snyder 0-7; Tioga 2-4; Lancaster 6-5. No votes were cast in Juniata and Northumberland counties, where some farmers were eligible to vote.

A double question was asked the tobacco farmers in that they were queried on whether they wanted quotas set for one or for three years.

In the Type 41 vote, 252 voted for three-year quotas with the remaining 100 of the 353 total favoring one-year quotas. The 966 negative votes were opposed to both one-year and three-year quotas.

In the Types 44 and 53 balloting, 15 favored three-year quotas and nine one-year. The opposing 17 were against either long-term or short-term quotas.

## Today's Talk

By GEORGE MATTHEW ADAMS

## THE JOY OF GIVING

Youth is possessive. Its wants are many. The boy or girl thinks only of the present and its abundance of pleasures. Each keeps taking more than he or she gives. Later, however, each learns that "it is more blessed to give than to receive." Then it is that the richness of life appears and the boy or girl genuinely starts to live.

Permanent possession means so little. I like to think of all that I have as something merely loaned to me. Over many years I saved, and often sacrificed, that I might possess certain works of art in the form of etchings and, later, rare books of authors whose work I admired. For nearly half a lifetime I accumulated. Now I find an added joy in presenting these treasures to institutions where they become a permanent joy to others and to researchers who gain the thrill of many a discovery.

Give and you get. I have never known it to fail. You may not be repaid in money for what you give but your compensation will be something that money can not buy. There are things, thank God, that money cannot buy! It can't buy honor, integrity, personal pride, or happiness. When we give something to someone else, it becomes a permanent investment. And the happier that person, the greater is our return.

It has been said that the only things we keep are the things we give away. I have never met a generous person who didn't prosper and who wasn't happy. Andrew Carnegie wanted to die poor, so he started giving away money for libraries all over the land. But he didn't die poor. He died richer than ever, for he enriched millions of people who went to his libraries for knowledge.

The joy of giving becomes the joy of living. All possessions melt away in value the longer they are held. But immediately as they are given away, interest awakens, and we gain a new thrill of satisfaction. For we speculate upon the joy of others.

Tomorrow Mr. Adams will talk on the subject: "Place of Refuge." Protected, 1953, George Matthew Adams Service

DO IT NOW

If you've a cheering note to write, Do it now.  
Don't put it off until tonight. Do it now.

If there's a friend you long have known, Who needs to have your friendship shown, That heartening visit don't postpone. Do it now.

If you've a task that should be done, Do it now.  
'Twill easier seem when it's begun. Do it now.

Neglected, it will fearful stay. "More time tomorrow," never say. No time is surer than today. Do it now.

Is there some duty that you dread? Do it now.  
Leave it behind and not ahead. Do it now.

You'll better feel when sets the sun If all you could do you have done, And better you'll enjoy your fun. Do it now.

## Americans To Bring Red Atrocity Reports Before U. N. General Assembly

By TOM HOGE

UNITED NATIONS, N. Y. (AP)—American delegates took urgent steps today to bring the U. S. Army's documented report of Communist atrocities in Korea before the U. N. General Assembly.

Chief U. S. Delegate Henry Cabot Lodge Jr. announced the move last night, a little more than 24 hours after the Army War Crimes Division issued its account of the torture, murder and starvation deaths of 29,815 persons—including 6,113 American soldiers—behind Red lines in Korea.

The report, documented with blood-curdling photographs and eye-witness stories, touched off demands from shocked American public and private figures for U. N. action.

Didn't Prevent Plans  
Lodge's terse announcement gave no indication, however, whether the United States would ask the Assembly to pass judgment and condemn those responsible for the killings. It said simply:

"The United States is placing on the agenda of the General Assembly the United States Army report on atrocities committed against captives in Korea by Communist forces in Korea."

Diplomats said any U. S. demand for condemnation of alleged war criminals almost certainly would run into bitter Communist opposition and Russian counter-demands that Red China and North Korea be invited here to answer the American charges.

The announcement came as the United States disclosed it will present further evidence of Soviet complicity in Communist torture to wring germ warfare "confessions" from captured Americans to the U. N.'s 60-nation Political Committee.

An American spokesman said the U. S. delegation will submit more statements from tortured GIs when it takes the floor in the debate, which is to resume today.

## MEN IN FAVOR OF NEW BLACK LOOK THIS FALL

Men are going in for the "new black" look this fall. Weary, perhaps, of the spectrum colors which have rioted unchecked in sports clothes for the last few years, well-dressed men are discovering the handsome distinction of black, white and gray for both sports and business clothes.

Newest sports coats of the season are black and white tweed mixtures; favorite fabrics for business suits are the deep charcoal gray flannels or worsteds, or flecked tweeds in the same tones.

The era of the sloppy look has passed. No longer is it considered smart to dress for business in loud plaid sports coats and unpressed slacks. Business suits are conservative in cut, with narrower trousers, narrower lapels, less padding and three-button jacket closing. The lapels that extend to the waistline are now passe.

New and handsomer fabrics, softer tailoring and more discreet use of color distinguish the new fashions for the U. S. male. Textured fabrics are in high favor for sports coats and topcoats. But these are not the harsh, bulky woolens of a few years ago. They are soft to the touch, light in weight and often blended with such luxury fibers as cashmere, alpaca or camel's hair.

The new cut to men's clothes reflects the Edwardian trend toward higher-closing jackets and a general narrowing of the silhouette. Topcoats are shown with set-in sleeves, button-through closings and either the formal notch collar or the more casual balmacollan collar—all details which result in simpler lines.

## Aerial Battle Anticipated In Bullet-Dutchmen Battle Tonight; Delayed Broadcast

Although the Gettysburg College football team rates a solid favorite to down Lebanon Valley in the Bologna Bowl game at Lebanon tonight at 8 o'clock, the Bullets will take no chances against the Flying Dutchmen, a lesson they learned last year. Gettysburg defeated Lebanon Valley here in 1952, 34-25, but had to overcome a 25-0 deficit at half-time.

Tonight's game, the final on foreign soil this season for the Bullets, promises to be a wide-open affair. Lou Sorrentino, rated as one of the better small-college passers, is expected to keep the leather flying all evening for the Dutchmen. The Bullets, too, will be able to take to the aerial on the fine arm of Frank Gagliardi, with Joe Ujohai, Bob Eppelman and Ernie Paliszewski taking care of the ground attack.

During the past week Coaches Johnny Yovicsin and Jack Shainline sent their charges through lengthy drills on pass defense. They admit they are worried about Sorrentino's passing, rating him as one of the best throwers in the country and capable of making the Dutchmen a real threat to any opponent on a given night. Another cause for concern is the prospect of a let-down by the squad who have been "up" for four straight weeks during which they have hiked their mark to 4-1.

Lebanon Valley, despite the presence of but two lettermen, has come, along with this season and sports a 3-1 record. The Dutchmen defeated Wilkes 15-6, PMC 25-14 and Moravian 19-18. Muhlenberg handed them their only defeat, 39-14, capitalizing on a series of pass interceptions and fumbles to score five touchdowns in the second quarter.

The game will be the 19th in the series between the schools. Gettysburg leads 16-1 with one game ending in a deadlock.

Tonight's game is sponsored by the Kiwanis Club of Lebanon for the benefit of underprivileged children.

**Queens Lead Parade**  
Preceding the game a parade will be staged through the streets of Lebanon at 6:45 o'clock headed by the Gettysburg and Lebanon Valley bands. Miss Jane Bannister, who was recently selected as Football Queen at Gettysburg College, and Miss Jackie Petherhoff, queen of Lebanon Valley for the Bologna Bowl game, will ride on a float and lead the parade.

The Bullet squad is scheduled to leave this afternoon at 4:30 o'clock. Following the Gettysburg-Hershey High game here this evening WGET will air a tape broadcast of the game.

## PICK ARAUJO TO BEAT DAVIS

**NEW YORK**—The honeymoon is over for George Araujo, the Providence, R. I., fighting man. Jimmy Carter's right hand ruined his shiny dreams of becoming lightweight champion of the world at the age of 22. That was his last Madison Square Garden fight. A Sept. 10 defeat in Boston by the veteran Teddy (Red Top) Davis rubbed most of the luster off his fine record.

Now Araujo starts all over again in a third match with Davis. The 10-rounder at 10 p.m. EST. will be carried on ABC radio and NBC television.

**Sport This Year**  
Since the last Davis fight, Araujo was married. Now he goes back to work in a rugged test that could be a turning point in his career.

The odds favoring Araujo at 9 to 5 overlook his upset by Davis at Boston in his first fight after his 13th-round technical knockout by Carter. In 54 fights, since 1948, Araujo has a 49-4-1 record. He was stopped only once—by Carter.

Davis, 30, enjoyed a tremendous spurt this year after stumbling along at a 500 pace through most of his career. He has been fighting since 1946 with a record of 52-46-2.

## ONLY 4 BIG BOYS REMAIN ON LIST OF UNBEATEN AS WEEKEND COMES

**By ED CORRIGAN**  
**NEW YORK**—The crazy-quilt college football season swings into the second half tomorrow with Notre Dame, Maryland, Baylor and West Virginia the only undefeated survivors among the big boys.

The Irish, the No. 1 team in the country, tackle Navy at South Bend minus their coach, Frank Leahy, who collapsed during the halftime intermission of the game with Georgia Tech last week. Leahy will watch the proceedings from his home on a local telecast while the team is directed by a platoon of his assistants headed by Joe McCardie.

Notre Dame rates a better-than-three-touchdown favorite over the Middles, who until they were upset by Penn last week, were regarded as about the strongest team in the East.

**Breeze For Maryland**  
Maryland, the class of the South and No. 2 in the weekly Associated Press poll, has a breeze in South Carolina as it races toward the championship of the new Atlantic Coast Conference and a bid to the Orange Bowl.

Baylor, which is stepping cautiously in its quest for the Southwest Conference title, plays Texas Christian in a loop game.

West Virginia, ranked fifth behind Illinois, holds the longest current winning streak of major teams—11—but its opposition has been on the weak side. The Mountaineers play Penn State tomorrow, and if they win, their place in the top 10 will be solidified.

**Suicide Schedule**  
Penn, the Ivy League club with the suicidal schedule, tackles Michigan at Ann Arbor, and it would be too much to ask George Munger's lads to spring two upsets in a row. Their 9-6 triumph over Navy must have taken plenty out of them.

The new favorite for the Big Ten title, Illinois, also gets a stiff test in Purdue, the outfit that pulled the shocker of the season by handing Michigan State its first defeat in 29 games last Saturday.

On paper, the Illini should win it, but Purdue, loser of its first four games before whipping State, is "up."

For its part, Michigan State will be in no mood to trifle with Oregon State and the Spartans could run up a big score. Georgia Tech, State's brother under the skin—it had a 31-game undefeated string snapped by Notre Dame last week—also has a relatively easy assignment in Vanderbilt.

**Big Tilt For TV**  
The NCAA's coast-to-coast television game of the day will send Pitt against Minnesota at Minneapolis.

In the Far West, South California, which has looked better with each passing week, is the choice over Oregon, while UCLA, which would like nothing better than to make the Rose Bowl, has no softie in California.

**Texas Lunch Team Tendered Dinner**  
Members of the Texas Lunch softball team of the local league were guests at a fried chicken dinner tendered them by Mrs. Ernest Kranias at the Texas Lunch Restaurant Thursday evening.

Those attending were Charles Himes, Harold Small, Allen McDonnell, Ira Kerr, Kenneth Rinehart, John O'Brien, Eugene Timbers, George Penn, Gaylord Fissel and Richard Heintzelman.

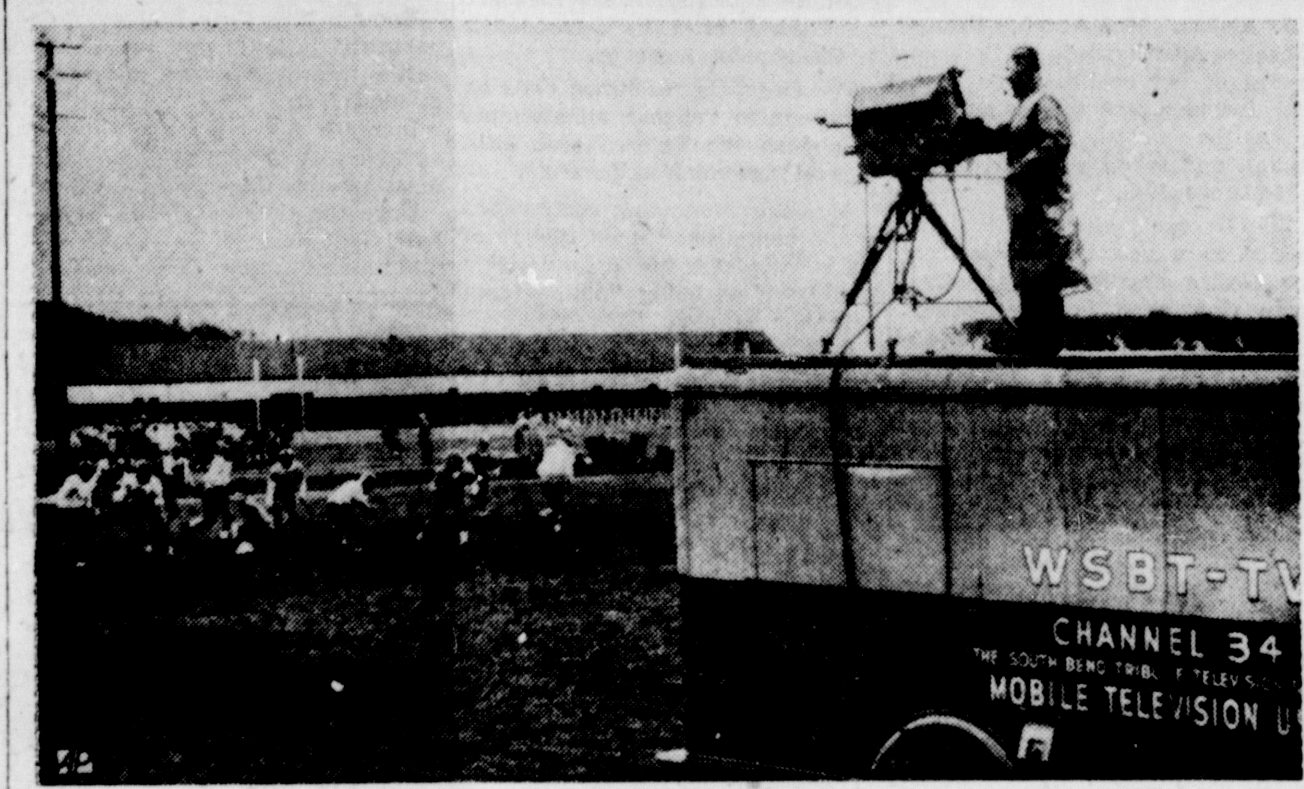

**SR. EXTENSION**  
(Continued from Page 1)  
In the 1954 Pennsylvania Farm Rural Talent Night program, the club hopes to secure more members to take part in the event than the 22 who participated last year.

The Radio Program committee reported plans for programs over WGET in November and December. President Harold Garretson reported 21 members of the county club attended the recent District Conference for Senior Extension Clubs held at Chambersburg. Garretson also reported that the annual Halloween party of the club will be held next Thursday at Orttanna.

One hundred song books were purchased and the club completed plans for a directory of the members, including name, address and telephone number of each member. Games, dancing and refreshments concluded the meeting. The next session will be held November 24.

## ENGLISH GIRL WINNING HONORS AT HORSE SHOW

**HARRISBURG**—England's attractive Pat Smythe whose success in international jumping competition has raised the eyebrows of veteran riders is "just tickled pink" about the whole thing.

"Isn't that horse of mine, Prince Hal, simply fantastic?" she asked in giving her mount all the credit for four first places she has won in her country's six triumphs in eight events at the Pennsylvania National Horse Show.

Last night she did it the hard way answering the bugle as the last rider of the evening and coming through with the only perfect performance in the in and out jumping event, one of the toughest.

**Other Triumphs**  
Previous victories won by the 24-year-old equestrienne were the individual championship of the show, the fault and out event, and the preliminary jump at Saturday's opening of the week-long show.

Oregon Duke, aged chestnut gelding from the Millard Farms, Annyville, Pa., won its third blue ribbon for a total of 18 points and at least a tie for the grand domestic open jumping championship.

Other Pennsylvania winners: Creation's Topper, owned by Pine Stables, Erie, Junior single heavy harness hackney pony; Zenphon, owned by A. C. Choate, Unionville, three and four year old green hunter; Miranda, owned by Foye Farm, Hanover, Arabian pleasure horse, Western type; and Borealis, owned by Millard Farms, ladies' conformation hunter stake.

**Marciano To Fight British Champion**  
World heavyweight champion, will fight the British champion, Don Cockell, in a 15-round title bout next June, Al Weill said today.

The match will be held either in London or in America, "wherever we could get more money," Weill said. He is Marciano's manager.

Weill came to Europe as manager of middleweight Ernie Durando who knocked out the French idol, Charlie Humez, a week ago.

"No final decision on the matter will be taken," however," Weill said, "until I talk with International Boxing Club manager Jim Norris, next week at New York."

VIENNA, Austria—Seven million Austrians staged a five-minute nationwide work stoppage this morning to back up demands that Russia and the West get together on an independence treaty and end the four-power occupation of their small country.

Chancellor Julius Raab told cheering deputies at a special session of parliament: "Our patience has come to an end. In the most powerful demonstration since the end of the war, the Austrian people call upon the world to tell them the present situation is no longer tolerable."

Human eyes begin to grow old when a person is in his teens.

## Harold G. Olsen, Who Coached Ohio, Dies

**RICE LAKE, Wis.**—Harold G. Olsen, a basketball luminary for nearly 30 years, died last night at Lakeside Hospital. He had been in ill health for two years.

Olsen, about 58, was dean of Big Ten basketball coaches when he left Ohio State in 1946 to coach the Chicago Stags professional team. He had been at Ohio State 24 years, five times winning or sharing the Big Ten title in that span.

A commission report said that small game throughout the Keystone state should abound in far greater numbers than last year.

"Particularly plentiful this year are the cottontail rabbits, the most favored of small game among hunters in this state," a commission spokesman said.

The nimrods pulled through a narrow streak in having the season start on schedule. The recent drought had posed a serious threat of postponement of the Oct. 31 opening.

Rain this week after several previous weeks of field and forest-searing dry weather—finally allayed fears of forest fires and Gov. John S. Fine gave the nod to permit opening of the season at 9 a. m. tomorrow.

**Many Pheasants**  
The commission said that in addition to the large number of cottontail rabbits there is a considerable increase this year in the quantity of ringneck pheasants.

"Turkeys too are exceptionally good in number," the commission reported.

Squirrels, gray and black, remain about the same in numbers as last year. Raccoon was reported very plentiful throughout the state.

The last survey of grouse, made about 10 days ago, showed the Pennsylvania state bird slightly increased in numbers.

There will be no open season this year on quail. A scarcity of the fowl has brought on a ban on shooting quail in order to give the species a chance to develop a heartier strain.

"Taking all into consideration," the spokesman said, "the small game hunter this year has a much better opportunity of getting his limit than in many years past."

George Olinger's band provided music for the 'teen age dance held following the Kiddies party. The orchestra was furnished through the local branch of the National Musicians Union as a public service of the union. Prizes were awarded during spot dances but no record was kept of the winners.

## GRANGE FAVORS PRICE-FIXING BY MILK GROUP

WILLIAMSPORT, Pa. (AP)—The Pennsylvania State Grange has reversed a position taken 10 years ago and come out in favor of price-fixing by the state Milk Control Commission.

J. Collins McSparran, Grange secretary, acknowledged that approval of the commission's practices included reservations but said it was the first time in the organization had taken a stand on the issue since 1943.

The Grange's new position was voiced in a resolution passed at the closing session of its annual state convention here yesterday. "The feeling of the delegate body was that the Grange should back the commission while at the same time seeking methods whereby the milk industry can work out its own problems," McSparran told a newsman.

"We would like to see the gov-

ernment out of everything but until a better solution can be found we'll back the Milk Control Commission," he added.

**Minimum Prices**  
The commission, set up during the lean years of the 1930s, set minimum prices to be charged by both producers and retailers of milk.

The price-fixing group came under fire in the 1953 General Assembly when a bill based on recommendations of the Chesterman Committee would have abolished the commission. The measure met defeat after its introduction in the senate, however.

The Grange's resolution calls on members to "oppose all attempts to abolish the Pennsylvania Milk Control Commission."

Although advocating continuance of the commission itself, the resolution attacked the commission's legal staff as being "neither capable nor efficient."

"We urge the governor to appoint such legal counsel as will enable the commission to perform its duties efficiently," the resolution said.

**"Benefit To Public"**

It hailed the commission as having provided "great benefits to the general public" in the bonding of milk dealers, inspection of weighing, sampling and testing of milk as well as regulating the price.

Further, the resolution said, abolition of the state commission might very well pave the way for Federal regulation of the milk

industry "which we do not want." "We want to keep supervision as near home as possible although we oppose controls and price-fixing in general," the resolution continued.

Other last-day resolutions passed by the Grange: Oppose the principle of the closed shop in agriculture and in related industry... because it "disrupts the orderly flow of agricultural products to markets thereby causing a financial loss to the producers."

**Asks Cattle Underpass**  
Request the state highways department to build underpasses for cattle wherever new construction divides farms.

Increase a two-price system for agricultural products—one for domestic sales, the other for export. Urge the Commonwealth to pay half the cost of erecting and maintaining fence lines between

### PARISH WOMEN PLAN PARTY, SALE, SUPPER

A covered dish supper was held in conjunction with the October meeting of St. Aloysius Parish Council of Catholic Women on Wednesday evening in the parish hall. A brief program, in keeping with October, the month of the Holy Rosary, included a vocal solo "Ave Maria" by Miss Celene Pfaff, with Mrs. Thomas French as accompanist and "My Mother's Rosary" and "A Chain of Ave's" by Miss Anna C. Weaver. A shrine in honor of the Blessed Mother, Queen of the Holy Rosary, with a statue, flowers and lighted candles, was also in evidence.

Following the meal, the members went to view Mrs. L. G. Staveland and to recite prayers for the dead.

The business session followed, with the opening prayer to Our Lady of Good Counsel by Miss Mary Rita Redding. Final plans for the Hal-

loween party, sponsored by the Council, for the children of the parochial school in the hall this afternoon were completed. Mrs. Bernard R. Kebil was appointed chairman of the committee for the annual Christmas party and the date for the party was set for Thursday, December 17, instead of the regular meeting night. There will be an exchange of gifts at the party.

The members decided to hold a food sale on Friday, November 6, beginning at 4 p.m. in the Alpha engine house. Contributions of baked goods will be solicited from the women of the parish and the following committee will be in charge of the affair: Mrs. George P. Smith, chairman, Mrs. C. Donald Bowser, Mrs. Robert Eckenrode, Mrs. Paul R. Snyder, Mrs. Bernard R. Kebil, Mrs. Thomas French, Mrs. R. G. Lain and Mrs. P. Kemp Hymiller.

Plans were also discussed for the roast beef and pork and sauerkraut supper to be served in the parish hall on Saturday, November 21. The Council will then be in charge of the dining room, with Mrs. George Smith as hostess and Mrs. Bernard M. Selby as head waitress. In charge of tables will be Mrs. C. Donald Bowser, Mrs. Thomas French, Mrs. Carroll Ooster, Mrs. William Anthony, Mrs. Stewart N. Long, Mrs. Lawrence Rexroth and Mrs. Z. W. Sanders. The young girls of the parish, high school age and over, will serve as waitresses. There also will be a bazaar, cake and candy table and Miss Anna C. Weaver, Mrs. Bernard Kebil and Mrs. R. G. Lain will be in charge. The next regular meeting of the Parish Council will be held on Wednesday, November 25.

## Sunday School Lesson

By Rev. Dr. Howard R. and Margaret C. Gold

Deuteronomy 6:4-9; Ephesians 5:21-6:4  
Memory Verse: God gives the desolate a home to dwell in. Psalm 68:6.

In God's plan for a better world the Christian home has a prominent place. The home is basic to personal living and one of the foundation stones of community life. When God decided to continue the race and build a good world He chose the family. There the high qualities of character were to be nourished. In so far as training is concerned the home is given heavy responsibilities. With that also come opportunities for working out God's will. He demands complete loyalty. Note what He requires: "You shall love the Lord your God with all your heart, and with all your soul, and

with all your might." The ideal home is one where the love of God is supreme, and where that love is taught faithfully to the children.

Our Lord's will and His command have not changed, but family life has changed, and in that transition new difficulties have been encountered. The home was once an institution where parents assumed responsibility for their children's training in religion. The Church School was not conducted as it is now. Those of us reared in rural communities still remember the bleak winters with roads almost impassable. Sunday School was discontinued during the severest months. Then it was that father took the family Bible and, gathering the household about him, read from the sacred Book and there was

singing of hymns, and a prayer. Facilities for teaching have changed and in the main improved. But nothing can take the place of family worship and parental instruction.

Our lesson includes a passage from Paul's letter to the Ephesian Churches. Here we are particularly reminded that deference to one another, activated by love, is a part of wholesome family life. "Be subject to one another out of reverence to Christ" Paul urges. One may assume that there was need of preaching to the churches Paul established for a higher quality of relations in the home. There certainly is an urgent need in this respect in our day. Here again we are reminded that we love one another even as Christ loves His Church. Where such love prevails there is an atmosphere in which other desired qualities of character can germinate and bear fruit. Persons reared in such a home will be an asset to community life where forbearance, patience and mutual regard are so essential.

Paul has a word of advice to parents: "Fathers, do not provoke your children to anger, but bring them up in the discipline and instruction of the Lord." There are ways and means of giving guidance that will do more harm than good and there are ways that bring desired results. A lad in a reform school wrote to me in praise of his teacher, ending his letter: "Such a father I wish I would have had." That teacher knew God and how to lead boys. One cannot over-emphasize the importance of the religious training of children. Results may not be encouraging at once, but will appear in later life. Social workers in city settlement houses report that wayward children who had religious instruction in early life are far better prospects for complete reform than those without such training.

To be successful in home life parents themselves require training. This should begin before marriage. Good will and affection must be applied with a certain amount of wisdom and skill. "Love Is No Lux-

ury" is the title of a book by Marjory M. Bracher. It is full of practical advice to parents. Christian home-making is a vocation. It requires adequate preparation. What is a Christian home? The answer is simple. It is a place where the spirit of the Christ prevails and where He loves to dwell. ## A LOOK INTO THE FUTURE

Meet John and Mary Smith—and their child.

See the pride and hope, the faith and love that shine like soft lights from the little girl's face? See the look of the future in her eyes?

Nothing in all the world could cause that reflection of happiness and contentment but a well-behaved child. Perhaps she has just spoken a piece. Perhaps she was singing a song. Perhaps she is playing with her small brother and sister.

But whatever she is doing, you will agree it is the result of wise and loving guidance. And you can be certain there is another member of the family not shown in the picture—God, the guide and Father of all of them.

Where parents and the Church work together for God, you will find true happiness.

## THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## IKE HOPES FOR GOP VICTORY NEXT TUESDAY

WASHINGTON (AP)—The White House said Thursday President Eisenhower favors the election of all candidates running for office on the Republican ticket—and that goes for Paul Troast, candidate for governor of New Jersey.

This came from presidential press secretary James C. Hagerty, in elaboration on a discussion of politics at Eisenhower's news conference Wednesday.

Hagerty said he has received numerous inquiries from newsmen as to whether Eisenhower was taking a slap Wednesday at Troast or other party candidates.

The President was asked Wednesday whether, at the time his picture was taken with Troast in New Jersey recently, he was aware that Troast had asked Gov. Thomas E. Dewey of New York to parole New York labor racketeer Joe Foy from prison.

**Never Heard Of Foy**  
Eisenhower replied that at that time he had never heard of Foy, that he had gone to New Jersey to address a church group and had been asked to pose for pictures with another group.

"This statement left unanswered the question of whether there would have been such a picture if Eisenhower had known about Foy or the letter."

Hagerty's elaboration Thursday came in a warm exchange with Arthur Sylvester of the Newark Evening News.

Hagerty wouldn't say point blank

## Fourth Quad Dies; Three Are Living

LANSING, Mich. (AP)—"Baby boy A," "baby boy B" and "baby girl C" apparently were winning their battle for survival—but "baby boy D" was dead.

The fourth tiny infant of the quadruplets born to Mrs. June E. Trollman, divorcee, died Wednesday day afternoon.

The boy who lost his fight for life was the last of the quadruplets to be born, and also was the largest. He weighed 2 pounds, 10 ounces.

"The other three are coming along fine," said Glen W. Fausey, director of Lansing's Edward W. Sparrow Hospital, scene of the multiple births within 12 minutes of each other around midnight on Monday.

## DICK HAYMES NABBED AGAIN

LOS ANGELES (AP)—Dick Haymes' deportation hearing has been recessed again—to Nov. 20—after a day in which he had his ups and downs, in this order:

1. Adding to his previous acknowledgment that he signed a request for draft exemption in World War II as a neutral alien the Argentine-born crooner declared he signed another document rescinding that request about six months later.

2. Then, leaving the hearing, he was nabbed by two sheriff's detectives and was booked and fingerprinted on a warrant from nearby Santa Monica Superior Court calling for his appearance there at 9:30 a.m. today. His attorney, David C. Marcus, posted \$200 cash bail.

The warrant is in connection with contempt charges by the second of his four wives, actress Joanne Dru, who claims he's behind \$2,308.71 in \$200 weekly payments for support of their three children.

The government seeks to deport Haymes on the ground that he illegally re-entered the continental United States after visiting actress Rita Hayworth, now his wife, in Hawaii last spring. It says he signed a request as a neutral alien for World War II draft exemption and that this permanently bars him from citizenship.

WASHINGTON (AP)—Two employees of radio station WWDC here were suspended Wednesday because of an obscene word that got out of the station over a coast-to-coast hookup.

The incident occurred at the end of a commercial break in the news commentary program of Fulton Lewis Jr. over the Mutual Broadcasting System network.

## RED TEACHERS BEING SOUGHT

PHILADELPHIA (AP)—The board of education has ordered a search for Communist teachers in the city's public schools.

The board decided Wednesday to appoint a special committee which it said would cooperate with the House Un-American Activities Committee now laying preliminary groundwork for public hearings scheduled to start Nov. 16.

Chairman Velde (R-Ill.) and Reps. Clardy (R-Mich.) and Walter

(D-Pa.) will comprise the subcommittee at the congressional hearings, Velde announced in Washington.

Chairman Walter Saul of the board of education meanwhile questioned whether his group has the right to fire any teacher without definite proof his classroom teachings are communistic.

A board spokesman said it has asked for legal advice on whether it has the authority to fire teachers who once belonged to the Communist party but who have since quit the party. All of the city's public school teachers have signed a loyalty oath required by the state of Pennsylvania.

## Red Hunter Says He's Making Headway

CHICAGO (AP)—Sen. McCarthy (R-Wis.) says his committee is making real headway in removing subversive employees at the U. S. Army Signal Corps installation at Ft. Monmouth, N.J.

McCarthy, chairman of the Senate Permanent Investigating sub-

committee which is hunting subversives said Wednesday 29 persons have been suspended since it was learned radar secrets were being passed to a communist spy ring.

McCarthy, who addressed the American Bakers Assn. annual convention Wednesday, said his investigators undoubtedly will continue to draw objections from those who oppose his search for Communists.

# GM SETS NEW SALES RECORD IN NINE MONTHS

NEW YORK (AP)—General Motors Corp., biggest manufacturing corporation in the world, sold more products in the first nine months of 1953 than in any full calendar year in its history.

Sales for the nine months were just under 8 billion dollars.

At \$7,931,000,000 the total was 43 per cent above the 5 1/2 billion reported for the first nine months last year. And it was substantially higher than volume for all of 1952, the previous record year, when sales amounted to \$7,549,000,000.

Both sales and earnings for the first nine months were the highest reported by any U. S. corporation.

**\$453 Million Revenue**

Net income for the nine months came to \$453 million after provision of \$1,006,000,000 for income and excess profits taxes. Earnings on the common stock were equal to \$5.08 a share. This compared with \$3.87 million dollars or \$4.32 a share in the first nine months of 1952.

In the third quarter the huge corporation earned 140 million dollars or \$1.57 a share against 118 million dollars or \$1.31 a share in the year-ago quarter. Sales for the recent three months totaled \$2,490,000,000 vs. \$1,695,000,000 a year earlier.

## SLAYER GIVEN LIFE SENTENCE

PHILADELPHIA (AP)—Within a few hours after changing his plea from innocent to guilty, Peter Bozzelli, 44, was sentenced to life imprisonment in Eastern Penitentiary for the slaying of his daughter, Gloria, 24.

The daughter, eldest of eight children, was strangled by her own nylon stockings. She was reported missing last April 9. Her body was discovered April 24 in a duffel bag near Mays Landing, N.J.

The commonwealth's prosecutor, Asst. Dist. Atty. Theodore B. Smith Jr., told the court Bozzelli told police he discovered \$600 missing from a bureau, became angered at Gloria's answer to his queries about the money, beat her and then strangled her.

Smith said the commonwealth was not satisfied with the motive for the killing but, in outlining his case before Bozzelli's change in plea, said he felt the evidence "will establish inferences leading to the motive."

## V. M. MOLOTOV WHEREABOUTS IS A MYSTERY

BERLIN (AP)—The whereabouts of Soviet Foreign Minister V. M. Molotov has Western diplomats in Moscow and elsewhere guessing, according to a Western official.

Is he on vacation? Has he been arrested?

The tight-mouthed Russian diplomatic chief has been unexplainedly absent from Moscow's public scene for about three weeks. Diplomatic missions in the Soviet capital, who normally learn when any Kremlin official is on vacation, about Molotov.

## Time For Vacation

In Washington, however, U.S. officials said the Old Bolshevik's absence should be no cause for excitement since he usually takes his vacation about this time of year.

Although Western speculation long has tabbed the 63-year-old Molotov as a possible victim of any struggle for power among Kremlin leaders, the Western official here said diplomats were trying not to jump to the conclusion that his absence now means he is in trouble.

Diplomatic sources said Russian Foreign Ministry deputies, rather than Molotov, have been handling all cases involving international protocol since early in October.

Mrs. Trapp and her sons and daughters make their home at Stowe, Vt., when they are not on tour. During the evening they invited members of the audience to spend a vacation at their family music camp, "Cor Unum," where visitors may participate in family singing, skiing in the winter and hiking through the New England hills at any season of the year.

In the audience was His Excellency, Bishop John M. McNamara, auxiliary bishop of Washington.

aria, "Augelletti, che cantate," by Handel.

In part three the Austrian singers changed to a religious theme with the rendition of "Dum Complerunt Dies Pentecostes," by Palestrina; "Senex Puerum Portabat," by William Byrd, and Offertorium, "Alma Dei Creatrix," by Mozart.

After the intermission they followed with a group of folksongs from the Austrian Alps and in the final return to the stage the audience listened to English words when the Trapps sang "O Erin, My Mother" and "Last Rose of Summer." They sang an arrangement made by their director, Father Wasner, "Twins Sunset in a Garden," a Finnish air, and a French-Canadian melody, also arranged by the priest, "J'entend le Moulin." They concluded with the echo song from the Alps and "Evening Prayer, 'Hansel and Gretel,' by Humperdinck.

Between the presentations, Mrs. Maria Augusta Trapp, widow of Baron Von Trapp, discussed her homeland, life in America, and her belief that a family which "works together, prays together, plays together, stays together."

## Live In Vermont

The first sopranos included Eleonore Trapp and Virginia Parri; second sopranos, Agathe Trapp and Maria Trapp; tenors, Werner Trapp and Donald Meissner; first contralto, Hedwig Trapp; second contralto, Maria Augusta Trapp; bass, Rev. Msgr. Franz Wasner; recorder, Johannes Trapp.

## BRITISH PLANE CRASHES NEAR 'FRISCO; ALL 19 ABOARD KILLED

SAN FRANCISCO (AP)—"The only survivors here are rescuers."

That's how Coast Guard Chief, Wilson Jennings described by radio, the grim scene 25 miles south of here yesterday where a British Commonwealth Pacific Airlines DC6 crashed and burned, killing all 19 aboard.

Among the 11 passengers were William Kapell, 31, brilliant New York concert pianist returning from an Australian tour, and a 7-year-old Australian boy.

Two of the eight crew members were hostesses.

# REDS DEADLOCK PRELIMINARY TALKS ON PEACE

By SAM SUMMERLIN

PANMUNJOM (AP)—Communist diplomats today called an American proposal for setting up the Korean peace conference "absurd... a trick... absolutely unacceptable" and pushed preliminary talks deeper into deadlock.

Although the Red refusal was less caustic than usual, they made it clear their answer was no to U. S. Ambassador Arthur Dean's plan to fix a time and place for the conference now and talk about its composition later.

Unruffled by the Red rejection, Dean agreed to a Communist request that he think over their views. The meeting recessed until tomorrow.

The Communists insisted that composition of the conference be decided before anything else. They have proposed that five non-belligerents—Russia, India, Burma, Pakistan, and Indonesia—sit in on the conference.

The Allies have stood firm so far by their plan that the conference include only the nations which have fought in Korea, plus Russia if the Chinese and North Koreans invite her.

"Bitter Attitude"

The unyielding Red stand on the peace conference discussions did not seem to mar Dean's optimism. He told newsmen after the 52-minute session that despite the lack of progress at this fifth meeting there was "generally a better attitude in the discussions."

At today's meeting, Dean suggested the dispute over admission of nonbelligerents might be tossed to the conference itself.

But he repeated he is willing to exchange views on composition if agreement first is reached on a time and place.

The American lawyer told the Reds in soothing words that by negotiating first on the "simpler subjects" like time and place the rival delegates might "create more harmonious working relations."

In this way, he said, the two sides could deal with the complex controversy over peace conference membership in a more favorable atmosphere.
